SUMMARY

As a seasoned Front-End Developer with a strong proficiency in React.js, Vite.js HTML, CSS, and JavaScript, I bring [1.5 years] of hands-on experience in crafting visually appealing and highly functional user interfaces. My passion lies in creating seamless and responsive web applications that not only meet but exceed user expectations. In addition to my front-end expertise, I excel in API integrations, leveraging my skills to enhance functionality and deliver dynamic user experiences. Throughout my career, I have successfully collaborated with cross-functional teams, turning design concepts into interactive and engaging digital experiences. With a keen eye for detail and a commitment to staying updated on the latest industry trends, I am dedicated to delivering high-quality, user-centric solutions that enhance the overall web experience.
